

Dear Parents and Guardians,

I would like to take this opportunity to introduce myself. My name is Ms. Jennifer Falcone and I am so excited to be your child's 6<sup>th</sup> grade teacher. During the year, I will be teaching your children ELA, Social Studies, and Religion. I will also be teaching the 5<sup>th</sup> grade ELA and Social Studies.

This is my first-year teaching at St. Stanislaus Kostka Catholic Academy of Queens. Before my time at St. Stanislaus Kostka, I have also had experiences in teaching a variety of grade levels within the public-school system. I earned my Bachelor's Degree in Psychology from Siena College. I earned my Master's Degree in Childhood Education and Students with Disabilities from Touro College. I am NYSED certified in teaching Childhood Education, Grades 1-6 and Students with Disabilities, Grades 1-6. Outside of teaching I enjoy spending time with my family, being active with my 3 rescue dogs, and reading a good book!

Throughout the year, it is important to have a strong parent-teacher relationship. If at any time you have any questions or concerns please contact me. You can email me at [jfalcone@ststanscaqn.org](mailto:jfalcone@ststanscaqn.org) or send a message through the Google Homeroom Classroom. Also, please check the school's website often for homework assignments as well as important updates. I update my page as much as possible with reminders, news, homework, and other information that might be helpful. I will also be updating the Google Classrooms daily with both homework and classwork assignments.

I am thrilled to be starting on this year's journey with your children! I know this year will look different from most, but I have full faith that we will get through this together. I look forward to watching your children learn, grow and have a fantastic time in 6<sup>th</sup> grade!

Sincerely,  
Ms. Jennifer Falcone
